But in the treatment of grave issues the States in the construction and no department of the Government will be found ready to support in the name of national defence a scheme to House is in committee of the whole A tragic example of the lack of inaugurate a campaign of revenge on the state of the Union:

With England. If there was any danger of England declaring a strict blockade that danger has been dissipated by the effective speech of Sir EDWARD GREY in the House of Commons on Wednesday. It bold but not so sure of touch is Mr. is especially gratifying that the For- Davis of Texas, Cyclone Davis, in a congratulates the people upon having eign Secretary laid so much stress whirling dervish specialty: upon the principle that the Allies This attitude of Sir EDWARD GREY is States, and . . .

given cause for criticism and offence. Never, then, was the prospect brighter of an understanding with England did not say so, we are sure.

reasoning that a regulation blockade tired eyes of oldsters; would be ineffective and would involve England in still greater complications with neutrals that his opponents were obliged to surrender at discretion.

That there is self-interest in the Government's policy is not to be denied, for the Allies are dependent upon America for supplies as well as war material, but aside from that consideration common sense and expediency are against the blockade as a war measure. Tension with the United States will be greatly lessened by the parliamentary victory of the British Government.

Compulsory Service for England.
